

DO YOU HAVE A WISH?

My cousin Emily is always wishing for things. She wishes for new shoes. She wishes for ribbons for her hair. She wishes for toys.

My brother Justin wishes for different things than Emily does. Justin wishes for a computer. He wishes he could fly. He wishes he could travel to the moon.

I like to wish, too. But I wish for different things than Justin or Emily. I wish for sunny skies. I wish for a letter from my grandmother. I wish I could see my friends every day.

Everyone has wishes. Our wishes don't have to be the same. We are all different and we all have different wishes.
